 <p>PORTOGALLO</p>	<p>1</p>	<p>T.DET.</p>	<p>teatcher</p>	<p>The "Progresso" association We are a team of pedagogues, teachers, psychologists and therapists of several different nationalities, who have met regularly since the summer of 2004 to exchange information and experiences about the quality of care offered by youth welfare projects in Portugal. This regular exchange of experiences between staff members involved in intensive pedagogical projects in Germany and the Netherlands, and individual pedagogical programs in Portugal, led to the creation of a team and a care concept that meets German and Dutch quality standards and that do not suffer from any of the shortcomings of previous care programs. In July 2006 this team founded a non-profit Portuguese association called "Progresso", with the aim of caring, within Portugal, for children and young people with behavioral problems. These youth welfare programs are carried out in cooperation with German and Dutch youth welfare organizations.</p>	<p>4887111</p>

 <p>SVEZIA</p>	<p>1</p>	<p>N.S.</p>	<p>Personal assistant for woman living in Umeå, SE</p>	<p>VH assistans is one of the leading companies working with personal assistance in Sweden. We have many years of experience working for children, youths and adults with disabilities. VH assistans employs 1000 personal assistants all over Sweden. To work as a personal assistant means that you make sure that the assistance is of good quality based on the governing laws intentions, that is, that people with disabilities should be given the opportunity for participation and independence in society. VH assistans recruits and trains personal assistants to work with individuals entitled to personal assistance in Sweden. Currently VH assistans is looking for new personal assistants to join our team. We are exploring the possibility to invite persons within the EU/EES interested in working abroad to work at our company in Sweden. The personal assistants workplace is wherever the person with the right to personal assistance is located. Right now we are looking for someone to work with a woman. This is her letter: I'm an active person that loves animals and to travel. As a personal assistant in my team you should be flexible in what locations you work at, and that you have no quarrels working with, and in, an environment that includes animals. The applicant should be someone who has the mindset to find solutions instead of seeing problems.</p>	<p>4887631</p>
